ABOUT THE PROGRAMME

GATE Academic Programs offer school students rigorous, internationally-benchmarked opportunities to develop their academic abilities in mathematics and English — open to grades 1 through 12.

The 2026 Hangzhou Academic Training Camp takes place at Xidian University's Hangzhou campus, combining structured academic coursework with on-campus workshops and cultural exchange.

Outstanding participants receive a letter of academic distinction. All participants leave with a Certificate of Completion issued under the GATE 2026 programme.
